Fasano

Public Forum on Long Island Sound LNG Facility

Dear Friend:

I am encouraging all residents of East Haven and surrounding towns to attend this important public forum. Officials from the State Department of Homeland Security will be on hand to answer all questions on homeland security issues related to the proposed LNG facility in Long Island Sound. I hope to see you there.

Sincerely,

A stylized, handwritten signature of Len Fasano in blue ink.

Len Fasano

State Senator, 34th District
